# ABOUT:

(My) Wealth Journey is a one-on-one, customized, Bible-based, 10 week program that equips you with the tools you require to take control of your wealth story.

## How Do We Do This?

### *i) Weekly one-on-one sessions*

The sessions are held once a week, for one and a half hours.

The program is hands-on and very practical. The purpose of the assignments is to enable you to start applying the wealth principles learned immediately.

### *iii) Field work*

You will be required to visit various financial institutions. The purpose of these visits is to help you practically align your financial goals with the readily available solutions.

### *iv) Workbook*

This will be sent to you on a weekly basis.

### *v) Regular check-in's*

After the 10 weeks, we have four scheduled review sessions spread over the course of a year. The purpose of the sessions is to offer accountability as well as guidance.
